The Private Centre for Knowledge Exchange
presents the first seminar of a series to come

Joris van Voorst

February 29, 2020 10:00 am

Physics of Natural Energy use (1)

Thinking in natural frequencies, vibration and resonance
Will change our perception of science

Program 29-2-2020

1. Introduction to natural "free" energy
2. Basic Physics for natural energy use
3. Presentation of a "water run" generator
 - a. combustion
 - b. electric energy
 - c. other applications

Interested? Then we kindly ask you to fill in the participation form
and send it to: hqmeierrose@gmail.com cell phone +351 930462746

Name and E-mail address:

Inscription fee: - until 21.02.2020	25€	- upon arrival	30€
Lunch (please choose!): yes / no	10€		

Bank Santander IBAN: PT 50 0018 0003 4668 2712 0203 7	Karl Nikolaus Becker
NIB: 0018 0003 4668 2712 0203 7
